SIGNS OF SPRING ARE POPPING UP IN WAYNEDALE

On May Day the sun was shining and families were enjoying the warm day. The screams warmer weather more than a field of tulips are a basic fact of life. It has been seen in Foster Park.

Practicing his hitting on the Foster Park Little League diamond was James Navarro and his mom Eunice. James plays for Don Hall's in the Majors League.

A few colorful reminders were found in Foster Park. Over the next few days, drive, jog, walk or bike through Foster Park, and admire the wonderful purple and white lilacs, yellow daffodils, a rainbow of tulips and many other spring flowers now in full bloom.

You could also venture over to Eagle Marsh and admire everything the wetlands has to offer. At this time of year, wetlands are bursting with life, none more loudly and loudly than the deafening drones of spring peepers (like frogs) and Northern Cardinals. The fresh makes you feel like you have entered a rainforest.

It's a beautiful sight and a great way to enjoy the adventures in nature.
